

SYDNEY GRAMMAR SCHOOL

MUSIC ASSOCIATION

For over thirty years, the Music Association has supported practical music in all its forms at the School. Performances such as the Scholars' Concert, the Concerto Concert, the Ensembles Concert, the Eisteddfod Finals Concert, the HSC Concert, the Chamber Music Concert and the Composition Concert, are a wonderful inspiration to the younger boys, and always provide engagement and stimulation for parents as well.

All money raised is used to help the Music Department to buy items needed or to help provide music tuition for boys when required. Concert tours, scholarships and prizes for boys are areas that receive great support from the Music Association. In recent years, the Music Association has contributed to the purchase of the School's harpsichord, the new Bösendorfer grand piano in Big School and they sponsored the 2005 and the 2009 Opera House Concerts. The Association has helped launch the New Hall Capital Appeal with a generous donation to help purchase a Steinway Model D grand piano.

We hope you will be able to join us. Please complete the attached form, together with your cheque. There are two ways to join the Grammar Music community:

- 1. \$ 25 - Annual family membership.
2. \$100 - You may like to take advantage of this offer which provides membership for the whole time that you have sons at College Street, no matter how many years this spans. Membership entitles ALL members of the family, including brothers and sisters, to attend all seven evening concerts. Please note that a nominal charge applies for admission to other School concerts.

The first meeting of the SGS Music Association will be an information evening and concert to be held for new parents on Thursday 4 February, 2010 at 6.30pm in Big School. Please put this date into your diaries and we look forward to meeting you on the evening.

For any enquiries about the Music Association please ring Sue Morgan (2009 President) on on 0412 300 733 or at shmorgan13@bigpond.com.
